

International Joint Commission's

**International
St. Lawrence River
Board of Control**

You are invited to our public teleconference!

WHAT The International St. Lawrence River Board of Control invites you to participate in a public teleconference to discuss the regulation of outflows and water levels in the Lake Ontario/St. Lawrence River System.

WHEN The evening of March 15, 2011, 7:00-8:30 pm EDT.

WHERE You can participate in either of two ways: in person or by phone.

In person, you can join us for the teleconference at one of two local meeting sites:

Montreal: Sarto-Desnoyers Community Centre, 1335 Lakeshore Drive, City of Dorval, Quebec H9S 2E5 (wheelchair accessible)

Rochester: Xerox Auditorium, Gleason Building, Rochester Institute of Technology, Rochester, New York

By toll-free telephone 1-877-413-4814 (you are encouraged to dial in by 6:50 p.m.):

Access Code: English: 4513524 French: 3606820

Please mention "St. Lawrence River Control Board" to the operator.

You will need to download the meeting materials from the Board's Web site:

http://ijc.org/conseil_board/islrbc/en/main_accueil.htm.

Any updates will also be posted by March 11 on the Web site.

Note that there will be a brief discussion period from 6:45 to 7:00 p.m. at the local sites to determine local concerns. The Board presentation will begin at 7:00 p.m. and will be heard by those at the meeting site as well as those listening in by phone. Following the presentation, the floor will be opened for comments and questions from callers and attendees.

QUESTIONS Inquires may be directed to the Secretaries:
