

Canadian Power and Sail Squadrons
Rideau District
August 2006

Reg. Golding, Secretary, Canadian Section
International St. Lawrence River Board of Control
200 Kent Street
Ottawa, Ontario, K1A 0E6

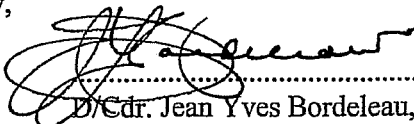

Re: Comments on
Options for Managing
Lk. Ontario & St. Lawrence River
Water Levels and Flows

Thank you for forwarding the extensive document, and providing an opportunity to comment on the above topic.

Please note that the Rideau District of CPS supports the adoption of Plan D+, as the most acceptable compromise future management approach.

The Rideau District includes 7 individual squadrons, situated in SE Ontario, with a total membership of...*1700+*..... recreational boaters.

Sincerely,

D/Cdr. Jean Yves Bordeleau, APS.
