As a resident on the shores of Henderson Harbor, NY, for over 70 years, I strongly believe in the support of a healthy Lake Ontario and St. Lawrence River ecosystem and a deadline to implement the B<sup>+</sup> plan.

We need to protect our shoreline and the invasive species which we don't want and didn't have until the commercial traffic started on the lake and river.

Please listen to the people who live near the lake and river and support a beautiful, healthy Lake Ontario and St. Lawrence River ecosystem and a deadline to implement the B<sup>+</sup> Plan.

I would appreciate a response to my concern.

Very Truly Yours,  
Marcia S. Treadwell
