Frank Bevacqua
Public Information Officer
International Joint Commission
U.S. Section
2401 Pennsylvania Avenue, NW
Fourth Floor
Washington, DC 20440

Dear Mr. Bevacqua,

I've lived in Rochester, NY my entire life and plan on raising a family here. It is very important to me that our surrounding environment is kept healthy. Please support a healthy Lake Ontario and St. Lawrence River ecosystem by adopting a firm deadline to implement Plan B+.

Please reply in writing with your plans to protect the Upstate NY economy and environment.

Sincerely,

Charlie Eberhardt

Penfield, NY
