Frank Bevacqua
Public Information Officer
International Joint Commission
U.S. Section
2401 Pennsylvania Avenue, NW
Fourth Floor
Washington, DC 20440

Dear Mr. Bevacqua:

I encourage you to support a healthy Lake Ontario and St. Lawrence River ecosystem by setting a deadline to implement the B+ Plan. These bodies of water are vital to the economy and quality of life of Upstate New York and Canada and warrant your serious attention.

Sincerely,

Ann E. Prince

Penfield, NY
