Dear Mr. Bevacqua,

I am writing to you today regarding Lake Ontario. I am asking you to please implant Plan B+. Lake Ontario has a lot to offer, but not if it's not taken care of. It has a wonderful playground for kids, a Merry-Go-Round for all ages and it's great for our local boaters. But there are times when go down to walk the pier and the odor is so awful we need to leave. Please help us to make Lake Ontario one of the "great" lakes again. Thank you.

Sincerely

P. M. Ford
