INT'L JOINT COMMISSION

May 29, 2008

Dear Mr. Bevacqua,

It has been brought to our attention the proposed.

Environmentally sound water management plan for restoration of Lake Ontario and the St. Lawrence River.

It is referred to as Plan B+ and the IJC that regulates shared waters of the U.S. & Canada want to hear from the public.

I (we) certainly feel strong after reading information provided by the Citizens Campaign for the Environment that a deadline for approving the Plan B+ be set and implemented just as soon as possible.
