Dear Mr Bevacqua:

Kindly consider adopting a firm deadline to implement PLAN B+ to help protect the Upstate New York economy and environment. We have two wonderful natural resources in this area in Lake Ontario and the St. Lawrence River. It is imperative that we work together to maintain a healthy eco- system in these two beautiful natural resources.

We moved to Rochester in the 60's and Lake Ontario was a mess!! We cannot let this happen again!

Thank you for your attention in this matter!

Sincerely,

Karen Hiller
