INT'L JOINT COMMISSION
2000 MAY 30 P 12: 13

Dear Mr. Bevacqua,

I am writing to you today to adopt and create a Deadline for the B+ plan. I would like plan B+ to be enacted because I live near Lake Ontario and use it often. The lake is a very large part of my life and the life of the community. It provides recreation in the forms of fishing, swimming and boating for thousands. With plan B+ the lake can be preserved for generations to come.

Sincerely,

Kevin Bobbett
