To whom it may concern,

I am in support of B+ Plan. It more eco and wildlife friendly, hydro friendly and it is better for the environment. For example we fish out of the water and our kids swim in the water. Deer drink from this water that we in turn we hunt. More eco friendly will affect us in more way then we think. We also have to look out for our kids future and I believe the B+ plan is doing this so I strongly support it.
