

Dear Frank Bevacqua,

I am writing as a concerned citizen of Oswego County. I live less than a mile away from Ontario Lake and will be directly effected by its water levels. I urge you to adopt a firm deadline to implement Plan B+.

We need to protect our economy and environment here in Upstate New York! Plan B+ will allow us to create a healthier environment. I would like to know how you plan to help this delicate ecosystem.

Please respond to the following address:

Sincerely,
Anne DeSantis
