INT'L JOINT COMMISSION

2008 ~~MAY 33~~ P 4: 39

Jun 2

Frank Bevacqua  
Public Information Officer  
International Joint Commission  
U.S. Section  
2401 Pennsylvania Avenue, NW  
Fourth Floor  
Washington, DC 20440

A healthy Great Lake and River is important to my family and myself. I urge you to protect the Upstate New York economy and environment by adopting a firm deadline to implement Plan B+; at this time I would request notice of this letter by responding to my concerns in writing.

Thanks for your time,

Sarah Adkins

Penfield, New York
