INT'L JOINT COMMISSION

2008 JUN 11 P 4: 30

Dear Mr. Bevacqua,

Lake Ontario is very important to those of us in Rochester, NY who like to hike near the lake.

Please implement a firm deadline to implement Plan B+.

Please consider that another ferry may run across Lake Ontario between Rochester and Toronto again someday and a clean lake would be ideal.

Please respond to my concern for the lake in writing.

Thank you for your time.

Sincerely,

Jeanne P. Dawson
