Dear Mr. Bevacqua,

We urge you to support the Plan B+ water initiative for Lake Ontario and the St. Lawrence River. By adopting this initiative, you will create a healthier environment and benefit a majority of users of the lake and river, including fishermen, recreational boaters, hydropower, and municipal water users. Also, this plan will stimulate the upstate New York economy. Your support is greatly appreciated.

Sincerely,

Retsev Haskins-Piccioli
