U.S. Section  
2401 Pennsylvania Avenue, NW  
Fourth Floor  
Washington, DC 20440

I have been contacted by an advocate of the B+ plan and would like to voice my support. I believe that any legislation geared towards bettering and protecting our environment should be sincerely considered. Because of this I would ask that you adopt a firm deadline to implement Plan B+.

Thank you,

Andrew Pribram-Riddell

Fairport, NY
