Dear Mr. Bevacqua:

I am writing to encourage you to aide in adopting a firm deadline to implement **Plan B+** of the International Joint Commission. The current proposal includes no deadline for implementation. Lake Ontario is one of the jewels of our water systems in the United States. **Plan B+** will create a healthier environment and benefit the **majority** of the users of the Lake and the St Lawrence River.

Thank you for your attention.

Sincerely,

Kathleen J. Bowersox
