RECEIVED-IJC  
IJC, JOINT COMMISSION  
2008 JUL -2 P 4: 03

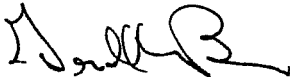

Dear Mr. Bevacqua:

I am writing to ask that there be a firm deadline established to implement Plan B+ to protect the upstate New York economy and environment.

As a lake shore resident and an avid fisherman and sailor, I am very concerned about a healthy Great lakes and its tributary rivers.

Please respond to me in writing about my concerns.

Sincerely,

Gerald W. Burns
