Washington, DC 20440

Dear Secretary Rice:

I would like to urge you to protect the Upstate New York economy and environment by adopting a firm deadline to implement Plan B+.

It is certainly beneficial to create a healthier environment and to have a benefit to the majority of the users of Lake Ontario and the St. Lawrence River, including, fishermen, recreational boaters, hydropower, and municipal water users.

Please and Thank You.

Sincerely Yours,

Judith Rinebold

Canandaigua, NY
