Dear Mr. Bewacqua;

This is the second time I
have written to my state, senate,
joint commission, etc.

I ask that you please readdress
and review Plan B+ adopted by
the International Joint Commission
(IJC). The plan will create a
healthier environment and benefit
the majority of the users of the lake
and river, including fishermen, boat-
ers, hydropower and municipal
water users.

Please take the time to adopt

RECEIVED-IJC

a firm deadline to implement
Plan B+ to support a healthy
Lake Ontario and St. Lawrence
River.

Please Respond To:
