Re: Lake Ontario and St. Lawrence River Order of Approval

Dear Sir/Madam Secretary:

On June 16, 2008, the Town of Porter Town Board unanimously agreed to **support** Plan 2007, as presented by the IJC in determining appropriate Lake Ontario Water Levels.

Because the Niagara River and Lake Ontario are two of the Town of Porter boundaries, how lake levels affect the shoreline are of great concern to us.

Sincerely,

Merton K. Wiepert
Supervisor

Francine DelMonte, NYS Assemblywoman
