

Date: June 19

Dear Commissioners:

I would like to comment on the International Joint Commission's water levels regulation Plan 2007 for Lake Ontario & the St. Lawrence River.

Plan 2007 will cause disproportionate losses to areas other than the south shore of Lake Ontario and is not acceptable. I urge you to adopt the more equitable and environmentally beneficial Plan B+.

Sincerely,

Name:

James H. Mason

Address:

Chase Mills NY
