Dear Mr. Bevaqua,  
I am writing to express my support  
of Plan B+ to restore Lake Ontario and  
the St. Lawrence River. I am a native  
upstate New Yorker and see the great  
Lakes, particularly Lake Ontario as a  
resource key to the economic development  
and preservation of our area. Improving  
the waterway, preserving the environment  
and wildlife leading to fish, which  
could be safely consumed and waterway  
recreation activities as beneficial and key  
to our economy.

Thank you for your  
consideration,

Christine Stokes
