Dear Mr. Bevacqua:

I am writing this letter to ask you to adopt a firm deadline to implement Plan B+ in order that Lake Ontario and the Great Lakes and River remain healthy. My family has lived in Rochester for generations and the Lake is an important part of our lives. We have taken our children there for recreation and now take our grandchildren.

I hope that you will take the time to look at this request and consider it favorably. Thank you in advance and I would appreciate a written response.

Sincerely,

Penelope M. Colombo

Rochester, NY
