

RECEIVED-IJC

Dear Public Information Officer Frank Bevacqua

Please adopt a firm deadline to implement Plan B+. My wife, my four children, and myself spend many hours each year on various bodies of water in upstate New York . I would like my children to be able to share all the things we enjoy with their children someday.

Thank you for your time,

Andrew S. Lilly

A handwritten signature in black ink, appearing to read 'Andrew S. Lilly', written in a cursive style.
