INT'L JOINT COMMISSION

Dear Frank Bevacqua,

I am writing this letter in support of Plan B+. I am a resident of the town of Greece in Rochester, NY and would very much be in favor of a plan that will result in natural water levels and improved environmental conditions. Please consider adopting this plan as soon as possible to help create a clean and safe Lake Ontario and St. Lawrence River so fish and wild life can prosper and I can enjoy Lake Ontario with my family for many years to come!

Thank you for your time,

*Mark A. Schaller*
