Re: Restore Lake Ontario and the St. Lawrence River-Support Plan B+

Dear Mr. Bevacqua,

I'm writing you to ask you to please adopt a firm deadline to implement Plan B+

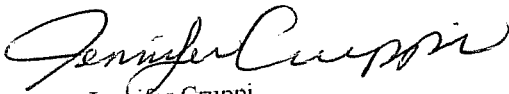

Plan B_+ will create a healthier environment and benefit a majority of the users of the lake and river .

Including fisherman ,recreational boaters, hydropower and municipal water users.

The B+Plan would create a sustainable ecosystem. A healthier ecosystem would cause water life to thrive

and grow. I await your response.

Sincerely,

Jennifer Cruppi
