International Joint Commission

Gentlemen:

My husband, Francis Wagner, and I wish to express the opinion we have about the proposed water levels plan.

We hope the I J C will decide to implement Plan B+. We understand this plan was developed during a five-year, \$20 million study. We hope you will not implement Plan 2007. We agree with senator Aubertine, who has been quoted as saying "Plan B+ will help restore natural wetlands, ..... and benefit us economically."

Please decide in favor of Plan B+. Thank you.

Sincerely  
Shirley A. Wagner
