

RECEIVED-IJC
INT'L JOINT COMMISSION
2008 JUN 27 P 12:08

To Whom it May Concern,

Please Adopt A firm Deadline For Implementing Plan B. The wetlands are ~~a~~ important part of the Great Lakes & St. Lawrence habitat.

Great strides have been made in Lake Ontario since it was a keel in the 1960's. But we need to expand original efforts.

Thank you,
Kirk Bischoff
