Dear Commissioners:

Thanks for meeting with  
us in Alex Bay. We  
know B+ will result in some  
highs & lows but it is BEST.

I would like to comment on the International Joint Commission's water levels regulation Plan 2007 for Lake Ontario & the St. Lawrence River.

Plan 2007 will cause disproportionate losses to areas other than the south shore of Lake Ontario and is not acceptable. I urge you to adopt the more equitable and environmentally beneficial Plan B+.

Sincerely,
