

Frank Bevacqua

I am writing to ask for your support for a healthy Lake Ontario and St. Lawrence River ecosystem. To do this, we need both the IJC and the U.S. Department of State to adopt a firm deadline to implement Plan B+. Plan B+ will create a healthier environment and benefit a majority of the users of the lake and river, including fisherman, recreational boaters, hydropower and municipal water users. Please help.

Thank You

Sincerely

Melanie Meyer
