

Michelle J Miller

Rochester, NY

Dear, Mr. Frank Bevacqua

I, Michelle Miller, am writing in regards to the B+ Plan and creating a sustainable ecosystem for lake Ontario and the St. Lawrence River. It is of great importance to preserve, protect, and create a healthier environment. Please urge the IJC and the U.S. Department of State to adopt a firm deadline to implement Plan B+. Plan B+ will help create a healthier environment and benefit a majority of the users of the lake and river. Being a resident of lake Ontario it is of great concern the present condition of the lake, beaches frequently closed do to poor conditions, questionable fishing areas, and more. Thank you for your time and consideration of this matter.
