

Dear Officer Bevacqua,

I am writing this letter in regards to "Plan B+", that will help to restore Lake Ontario and the St. Lawrence River. I grew up swimming and fishing in the Lake. We currently have a cottage on Port Bay. I would like my children to be able to enjoy the lake just as I did as I grew up. Plan B+ will create a healthier environment and benefit a majority of the users of the lake and river, including fishermen, recreational boaters, hydropower, and municipal water users.

Please support a healthy Lake Ontario and St. Lawrence River ecosystem by adopting a firm deadline to implement Plan B+.

Thank you for your time.

Sincerely,

Scott Nugent
