

RECEIVED-IJC  
WETLAND JOINT COMMISSION  
2009 JUL -2 P 4: 07

Dear Frank Bevacqua  
Public Information Officer  
IJC,

I am writing to urge you to please adopt a firm deadline to implement Plan B+. It will create a healthier environment and benefit a majority of the users of the lake and river, including fishermen, recreational boaters, hydropower, and municipal water users. These wetlands help us in so many ways with flood control and even natural purification. Please respond to our concern in writing.
