

Frank Beracqua  
Public Information Officer  
International Joint Commission

I am asking you as a property owner living ten minutes away from Lake Ontario to adopt a firm deadline to implement Plan B. Please support a healthy ecosystem for Lake Ontario and St. Lawrence River. Our family enjoys fishing and spending time at the beach, but the last few years the beach is closed to swimming frequently because of high bacteria. Please respond to my concerns in writing.

Thank you,  
Betty A. Santillo
