Dear Mr. Bevacqua:

A healthy ecosystem is essential to life. More specifically, a healthy Lake Ontario and St. Lawrence River are very important to me and my family.

**Please adopt a firm deadline to implement Plan B+.**

We need to take care of the environment for ourselves and even more importantly, for future generations!

I would appreciate knowing you have received my letter and hope you will respond to me in writing.

Thank you.

Sincerely,

  
Christine Whiting
