Dear Mr. Bevacqua:

My wife, Arlene Endieveri, and I have , lake front property
on Lake Ontario in the County of Oswego, for eight years.

We are very concerned about consideration of the 2007 B+ plan, and that flooding will clearly happen
as a result.

We strongly urge you to pass the 2007 plan (or recommendation), for everyone's long term best
interests.

Thank you for considering the above.

Sincerely,

ANTHONY F. ENDIEVERI
