Re: The B+ Plan

Dear Sirs

I fully support, and urge you to adopt a firm deadline to implement <sup>the</sup> B+ Plan to create a healthier environment for all who use Lake Ontario & the St. Lawrence River

Support the Ecosystem and a DEADLINE to implement Plan B+! More natural water level management will be provided to benefit fish, wildlife, wetlands, ship navigation, and clean hydropower production

The proposed plan is weaker devoid of significant environmental benefits.

Sincerely,  
  
Tony Dorfman
