INTL JOINT COMMISSION

2008 JUL 15 P 2:02

Frank Bevacqua
Public Information Officer
International Joint Commission
U.S. Section
2401 Pennsylvania Ave, NW
Fourth Floor
Washington, DC 20440

Dear Mr. Bevacqua,

The Great Lakes and St. Lawrence River are vital assets to our state and to our family. The purification done by natural wetlands is of utmost importance to protect our drinking and ground water resources.

I urge you, as I will Secretary of State Condoleezza Rice, to adopt a firm deadline to implement Plan B+ and please respond in writing. Thank you for your attention.

Sincerely,
Linda McConnell
