Public Information Officer  
International Joint Commission  
U.S. Section  
2401 Pennsylvania Avenue, NW  
Fourth Floor  
Washington, DC 20440

Dear Mr. Bevacqua,

We are writing in regards to supporting a deadline to implement the B+ plan for Lake Ontario and the St. Lawrence river. We hope you will help create a healthier environment as well as benefit the users of the lake and river by adopting a firm deadline. Thank you for your time and concern.

Sincerely,

*Robert McGuire*  
*Reb L McGuire*
