Frank Bevacqua

Public Information Officer

International Joint Commission - U.S. Section
2401 Pennsylvania Ave, NW 4th floor
Washington DC 20040

Dear Mr. Bevacqua -

I live in New York state near Lake Ontario and the St Lawrence River. It is very important to me that Lake Ontario and the St Lawrence River remain healthy and environmentally safe in order for the people and wildlife continue to be able to enjoy them.

Protect the upstate New York economy and environment by adopting a firm deadline to implement Plan B as soon as possible
