Mr. Bevacqua:

The IJC is currently accepting public comments for updated water regulations in Lake Ontario and the St. Lawrence River, until July 11, 2008. Tell the IJC and the U.S. Department of State to adopt a firm deadline to implement Plan B+. Plan B+ will create a healthier environment and benefit a majority of the users of the lake and river, including fishermen, recreational boaters, hydropower, and municipal water users.

Respectfully,

  
Terrance Kozma
