Dear Mr Bevaqua:

Lake Ontario and St. Lawrence River are very important to me and my family. We have vacationed in this area for many years and currently have a camp near Pulaski, NY on Lake Ontario.

I urge you to protect this area and the upstate New York economy by adopting a firm deadline to implement Plan B+ to restore Lake Ontario and the St Lawrence River.

Thank you for all your hard work so far. I hope you will support this initiative and respond to my concerns in writing.

Very truly yours
Charles S. Wicks
