

INTERNATIONAL NIAGARA BOARD OF CONTROL

The International Niagara Board of Control invites you to an open house on the subject of matters affecting flows and levels in the Niagara River. In addition, information on operation of the Lake Erie-Niagara River Ice Boom, revision of the Ashland Avenue rating used to determine flows over Niagara Falls and on current Great Lakes' levels will be presented.

The time, date and location are as follows:

Time: 7:30 p.m.
Date: Wednesday, September 15, 2010
Location: Prospect Room
Crown Plaza Hotel
300 Third Street
Niagara Falls, NY
14303

The International Niagara Board of Control is a bi-national organization reporting to and advising the International Joint Commission on matters regarding water levels, flows and similar subjects pertaining to the Niagara River.

The purpose of this open house is to inform the public of the Board's current activities and to hear public comments and suggestions regarding the Board's work.

If you require additional information, please contact:
